The Commissioner has taken objection to the grant. The point for consideration is whether the amount sanctioned for prizes in the budget can be utilized for giving prizes in aided Schools. The Govt states that occasional grant of prizes to ~~Schools~~ aided Schools is intended to stimulate and encourage good work. He therefore requests sanction to utilize the amount for giving prizes to pupils of such Schools also

OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 3206 / 222

Bangalore 18th October 19 11

From

~~J WEIR, Esq., M.A.,~~

The *Inspector General of Education in Mysore*

To

C S Balasundaram Iyer, Esq , B A ,

Offg Secretary to the Government of H H the Maharaja of Mysore, General and Revenue Departments, Bangalore

SIR

I have the honour to inform you that the late Mr Weir, as Inspector General of Education was pleased with the progress of the Aided Wesleyan Mission Girls' School, Gubbi, on his inspection and granted the supply of prize books worth Rs 20/- out of the grant of Rs 150/- at his disposal (vide Government Order No 6914-5/Edn 219-06-2 dated 7th February 1907 sanctioning the redistribution of prize grants among the several officers of the Department) The practice of granting prizes to the deserving pupils of the Aided schools by the Inspector General out of the funds at his disposal has been in vogue for a long time No objection was ever taken to this practice till now The Comptroller has now refused to adjust the cost of prize books supplied to the Aided girls' school, Gubbi, namely, Rs 20/- mentioned above and has asked me to recover the cost and credit it to Government He further states "that the Government Order referred to above accorded sanction duly (only?) to the distribution among the several officers of the Department of the aggregate grant for prizes made during 1906-7 and not to the utilization, as a general arrangement, of the grant, thus distributed of that year and much less of any year for aided institutions The allotment placed at the disposal of the Assistant Deputy Inspector of Sanskrit Schools can duly (only?) be understood as authority for admitting

charges

2

charges incurred against such allowrent during that year"

Prize grants are not special grants for any particular year or years but are permanent and usual charges The Govern-ment Order of 1907 cited above has reference merely to a redistribution of old grants, consequent on the increase in the number of Inspecting officers about that time With regard to the granting of prizes to the deserving pupils of even aided schools, I beg to point out that occasional grant of prizes to schools irrespective of the character of the funds is intended to stimulate and encourage good work This object is likely to be frustrated if the restriction implied in the Comptroller's objection is imposed

In the circumstances I request that Government may be pleased to permit the use of prize grants for even aided schools as occasion demands I also request that the Comptroller may be directed to waive his objection and admit the charge in question namely Rs 20/- cost of prize books supplied to the aided Wesleyan Mission school, Gubbi The favour of early orders is requested

I have the honour to be,

Sir,

Your most obedient servant,

For Inspector General
